Royal's Baseball Season

The Royals baseball team placed last in the conference standings this year. One of the best games the team played was a non-conference game with Windfall. Pitcher Mike Peterson was a little wild, walking nine men in the game. This, along with a few errors, gave Windfall a 3-2 lead. The Royals, however, came back and scored two runs in the bottom of the seventh to win the game. All of the Windfall runs were scored without a hit. Peterson struck out fifteen men in pitching the no-hitter.

Mike Peterson was the only Royal named to the Conference Baseball Team. Mike had a .525 batting average and was Hamilton Southeastern's star pitcher.

In the last game played by the Royals, Peterson was hit by a pitch from a Westfield pitcher. The ball broke Peterson's jaw.

Hamilton Southeastern ended the season with 3 wins and 11 losses.

The Royals won 4 and lost 10 meets in which they ran. Mike Swackhamer and Howdy Scott made the All Conference Cross Country Team. Swackhamer won the race while Scott placed 7th.

Mike Swackhamer wins again.

The Royals football players opened their first year of varsity competition this year. Although they lost six of their seven regular season games, they tied Park School 6-6 in their homecoming battle.

Chick Paulson was named most valuable lineman, and Danny Ireland most valuable back as the year was closed with the achievement banquet on November 5.

During regular season play, two varsity players suffered broken legs. Junior tackle, Danny Wilder, broke his in the Deaf School game. Senior end, C. D. Parker, broke his leg in practice.

Season

Although the Royals didn't have a good basketball season this year, the season wasn't a complete loss. The team started out with only two returning lettermen, Mike Peterson and Tom Eddingfield. The other boy on the team with any amount of varsity experience was Mike Swackhamer.

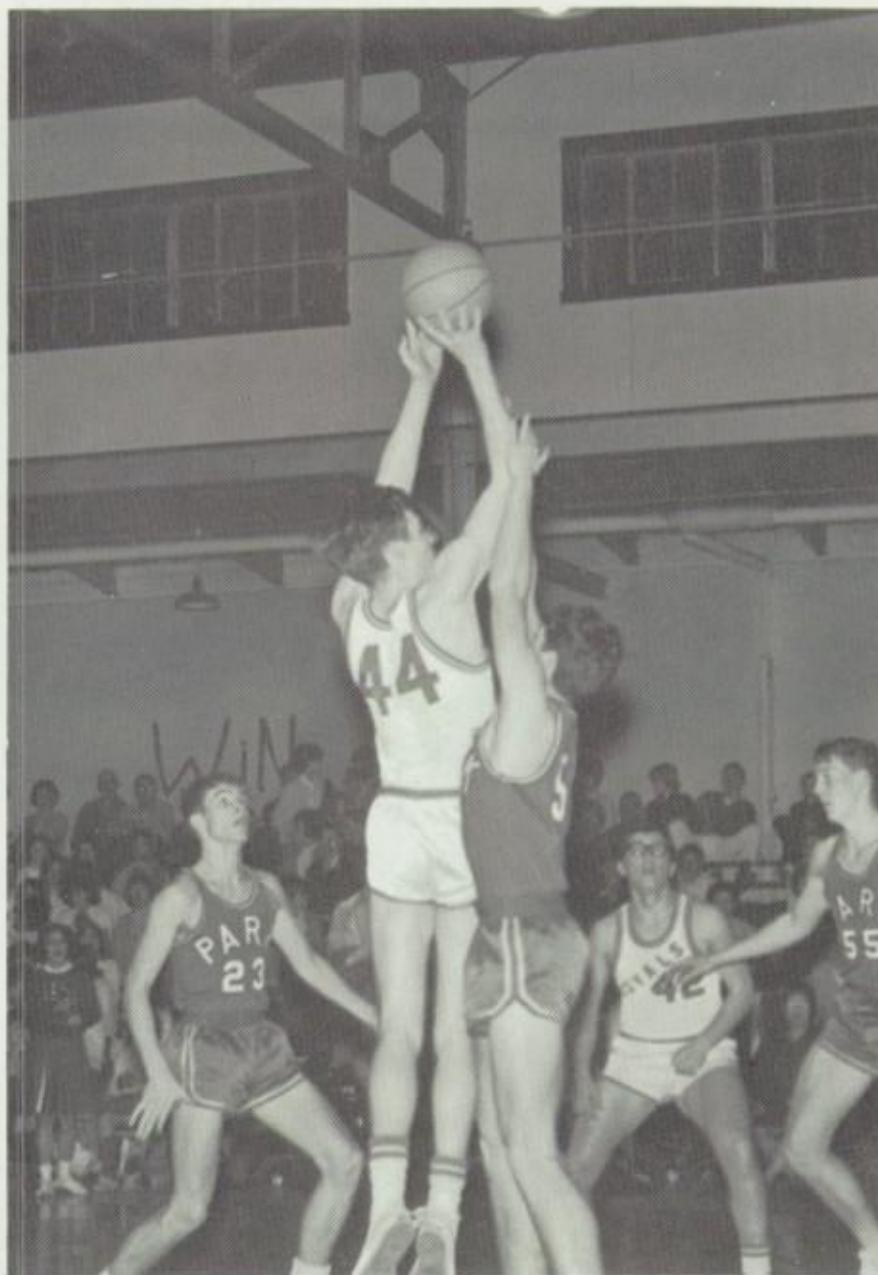

The team consisted of three seniors, Mike Peterson, Corky Barsz, and Wayne Burton, junior Mike Swackhamer, sophomores Mike Sweitzer, Jeff Grimes, Denny Wyant, and freshmen Howdy Scott and Jack Roudebush.

One of the best games the Royals played was against Granville Wells. They beat the Rockets 72-68, the first victory over them in ten years. The Royals also defeated Windfall 61-52, Cadiz 74-64, and Plainfield Charlton 81-65.

The Royals had balanced scoring all year, with different players scoring in double figures in different games. Roudebush and Peterson both averaged about twelve points per game.

The rebounding was done by seniors Barsz and Peterson both collecting over 200 rebounds apiece.

Next year the Royal team should be one to watch. With all the "youngsters" getting varsity experience this year, the team should be ready next year.

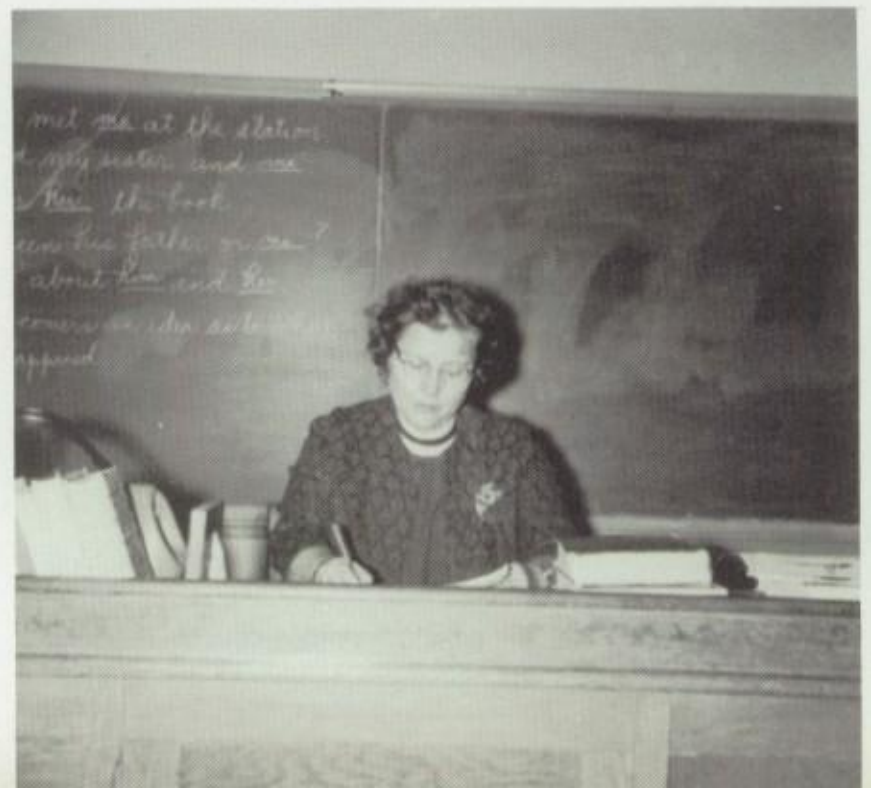

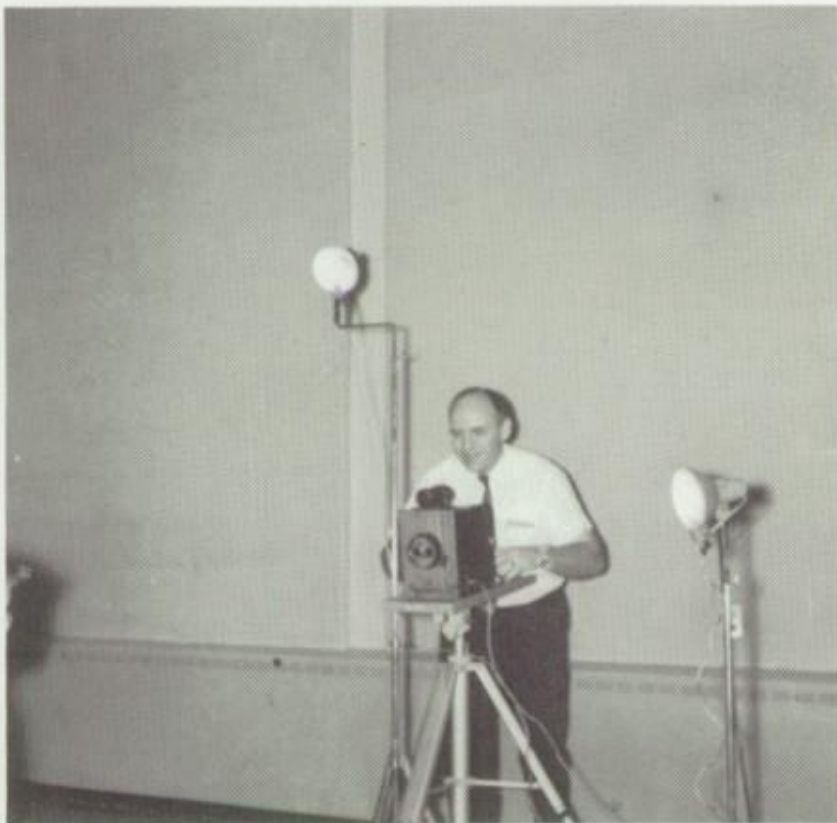

Center Corky Barsz goes high in the air as Mike Peterson (42) looks on.

Coach Ken Blad discusses tactics with his team during a time out.

SPIRIT E

Dr. Leo Marshall, superintendent of our school system for three years, has successfully carried out the consolidation of three townships. Ably assisted by members of the school board, he is seeing the vision of a new school become a reality in September 1967.

Experience and the desire to please has kept Miss Dorothy Kepner very busy as secretary to Dr. Marshall. Monitoring the needs of three grade schools besides the high school, she is a frequent visitor in our school.

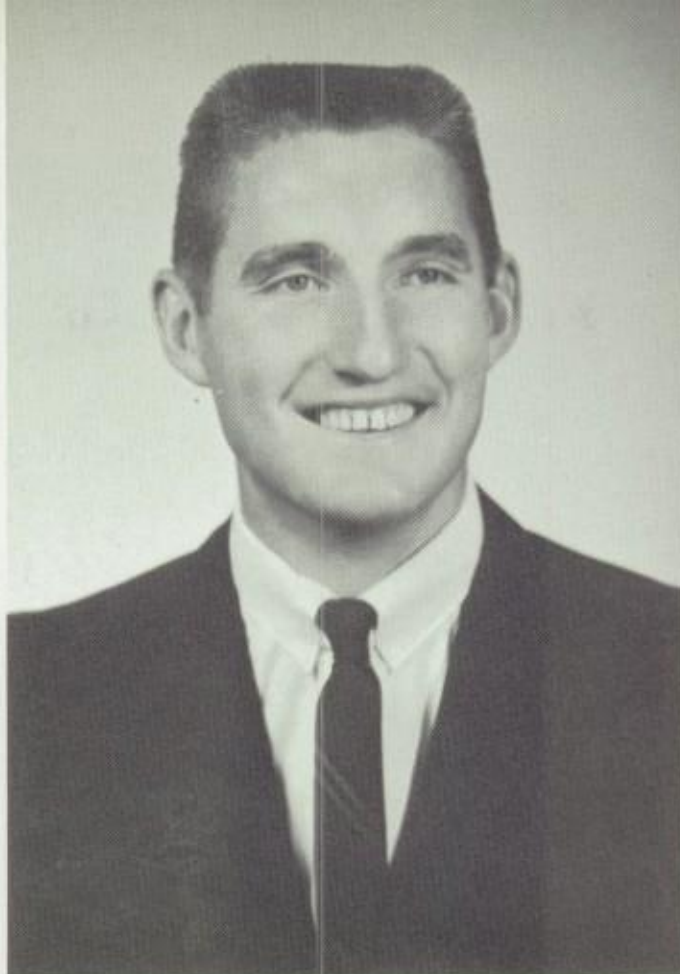

Handling the problems of a large faculty and student body does not seem to have affected the happy disposition of our principal, Mr. Ben Sprinkle.

Mrs. June West has taken over the duties of secretary. She is always willing to listen to and attempt to solve everyone's problems.

Playing basketball provides exercise and enjoyment for the members of the Royal teams. Many thrilling moments were experienced by the boys throughout the season. Working hard with the Royals, Coach Blad built a powerful team. Even with many hardships to overcome the team has made itself one to be proud of.

The school spirit needed to push the team onward was well provided for by the varsity cheerleaders. Along with the booster club, the cheerleaders followed the team through the season.

School spirit is as important to school life as almost anything else. The purpose of the Booster Club is to promote this spirit and to develop good sportsmanship in the various athletic teams and students of Hamilton Southeastern High School. This year the Booster Club is divided. It is no longer mandatory for a person belonging to Booster Club to be in Cheerblock also.

A boys' cheerblock has been organized along with the traditional girls' cheerblock. These students follow the football and basketball teams through games with area rivals, holiday tourneys, jamborees and, of course, the sectionals. The Booster Club, again this year, has done an outstanding job of boosting school spirit.

BOOSTER CLUB OFFICERS: Susie Brown, president, Linda Hessler, vice-president, Betty Jo Leonard, treasurer, Elizabeth Roesener, secretary.

The Girls' Athletic Association meets every Tuesday evening after school for volleyball, basketball, swimming, bowling, and various other sports. Most of these games are played at school. When necessary the girls go to bowling alleys, and to other places suitable for each particular type of sport. Physical fitness is stressed as one of the objectives of this club. Active participation in sports helps the members to obtain a reserve of energy to help with life's problems.

In the fall of 1967 Hamilton Southeastern students will attend classes in the new school pictured below.

My "thanks" go to all my hard-working staff members for their time and interest. In behalf of my staff, I would like to thank Mr. David Holden, Mr. Fred Plocher, of the American Yearbook Company, Porter Studio, Inter-State Studio, the businessmen of our area, and the parents of the staff members.

Our special thanks go to Mrs. Martha Lafferty, who added many hours of work to our efforts to present the first SCEPTRE of Hamilton Southeastern High School.
